

ENVIRONMENTAL PROTECTION POLICY

The Environmental Policy of KWC communicates internally within the organization and externally with all stakeholders.

KWC is committed to leading its key beneficiaries (SFMEs) in minimizing the impact of their activities on the environment.

KWC working strategy regarding environmental policy:

- Promote the use of ecofriendly materials by its staff by encouraging the reuse of materials which can cause damage to the environment.
- Advocate actively to minimize waste that may harm the environment amongst its key stakeholders.
- Ensure the efficient use of energy to reduce carbon emissions
- KWC will seek to meet or exceed all the environmental legislation that relates to the organization.
